

## Bar Code Labels

- Label is Synthetic. It will not rip, shrink or expand.
- Rounded corners reduce tendency to peel from corners.
- The bar code is nearly impossible to scratch off, eliminating the need for an over-laminate.
- A quality alternative to other labels, at a very competitive price!
- Available in a wide array of bar code symbologies in black or color.

### Single

- 2" x 5/8" overall size
- One line of 40 characters above bar code
